## Product Specifications

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| <b>Catalogue Number</b>  | 07332                                                                                         |
| <b>Product</b>           | <b>Boc-(R,S)-2-carboxymorpholine</b><br>Boc-(R,S)-Cop-OH<br>4-Boc-2-morpholinecarboxylic acid |
| <b>CAS Number</b>        | 189321-66-2                                                                                   |
| <b>Molecular Formula</b> | C <sub>10</sub> H <sub>17</sub> NO <sub>5</sub>                                               |
| <b>Molecular Weight</b>  | 231.25                                                                                        |

---

|                   |                                          |
|-------------------|------------------------------------------|
| <b>Appearance</b> | White powder or white crystalline powder |
| <b>Assay</b>      | ≥ 98%                                    |
| <b>Storage</b>    | Store at 0 - 8 °C                        |

**For Laboratory Use Only**
