## Product Specifications

|                           |                                                                                                                                         |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalogue Number</b>   | 15224                                                                                                                                   |
| <b>Product</b>            | <b>Boc-(±)-trans-4-(3-trifluoromethylphenyl)<br/>pyrrolidine-3-carboxylic acid</b><br>Boc-trans-DL-β-Pro-4-(3-trifluoromethylphenyl)-OH |
| <b>CAS Number</b>         | 169248-97-9                                                                                                                             |
| <b>Molecular Formula</b>  | C <sub>17</sub> H <sub>20</sub> F <sub>3</sub> NO <sub>4</sub>                                                                          |
| <b>Molecular Weight</b>   | 359.34                                                                                                                                  |
| <b>Appearance</b>         | White to off-white powder                                                                                                               |
| <b><sup>13</sup>C NMR</b> | Conforms to structure                                                                                                                   |
| <b><sup>1</sup>H NMR</b>  | Conforms to structure                                                                                                                   |
| <b>Purity by HPLC</b>     | ≥ 99%                                                                                                                                   |
| <b>Storage</b>            | Store at 0-8°C                                                                                                                          |

**For Laboratory Use Only**
