## Product Specifications

|                           |                                                                 |
|---------------------------|-----------------------------------------------------------------|
| <b>Catalogue Number</b>   | 16107                                                           |
| <b>Product</b>            | <b>1-(Fmoc-amino)-4-methyl-cyclohex-3-ene-1-carboxylic acid</b> |
| <b>Molecular Formula</b>  | C <sub>23</sub> H <sub>23</sub> NO <sub>4</sub>                 |
| <b>Molecular Weight</b>   | 377.4                                                           |
| <hr/>                     |                                                                 |
| <b>Appearance</b>         | White crystalline powder                                        |
| <b>Melting Point</b>      | 160-167 °C                                                      |
| <b>Assay by titration</b> | ≥ 99%                                                           |
| <b>Purity by HPLC</b>     | ≥ 99%                                                           |
| <b>Purity by TLC</b>      | ≥ 99%                                                           |
| <b>Storage</b>            | Store at 0-8 °C                                                 |

**For Laboratory Use Only**
