## Certificate of Analysis

|                  |                             |
|------------------|-----------------------------|
| Catalogue Number | 27535                       |
| Lot Number       | 001545-140216               |
| Product          | <b>1-Allyl-1H-imidazole</b> |

1-Allylimidazole

|                   |                                              |
|-------------------|----------------------------------------------|
| CAS Number        | 31410-01-2                                   |
| Molecular Formula | C <sub>6</sub> H <sub>8</sub> N <sub>2</sub> |
| Molecular Weight  | 108.14                                       |

---

|                             |                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------|
| Appearance                  | Colorless transparent liquid                                                         |
| Water Content (Karl Fisher) | 0.27%                                                                                |
| Purity by GC                | 98.67%                                                                               |
| Storage                     | Store at 0-8°C                                                                       |
| Remarks                     | See material safety data sheet for additional information<br>For laboratory use only |
