## Product Specifications

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Catalogue Number</b>  | 32820                                                                                                        |
| <b>Product</b>           | <b>H-His-His-OH trifluoroacetate salt</b>                                                                    |
| <b>CAS Number</b>        | 306-14-9 (net)                                                                                               |
| <b>Molecular Formula</b> | C <sub>12</sub> H <sub>16</sub> N <sub>6</sub> O <sub>3</sub> •C <sub>2</sub> HF <sub>3</sub> O <sub>2</sub> |
| <b>Molecular Weight</b>  | 406.32                                                                                                       |

---

|                                 |                           |
|---------------------------------|---------------------------|
| <b>Appearance</b>               | White to off-white powder |
| <b>Analysis by Mass Spectra</b> | Conforms to standard      |
| <b>Purity by HPLC</b>           | ≥ 98%                     |
| <b>Storage</b>                  | Store at 2 - 8 °C         |

**For Laboratory Use Only**
